I agree, did you see the spreadsheet from Ben on the pay cap lift? Region 6 is astronomical on the amount of people we are deploying.

FYI....my guess on this one would be level of work since R9 was the last one to be affected by the response.

Ralph, I just send this to Barbara Lee in Region 9. I'm pretty surprised by the difference in loaded rates each region is using. I'll discuss this more when I see you later this afternoon.
